

Reel Fun Film Festival Permission Form

We are going to the REEL FUN FILM FESTIVAL on February _____ 2011.

The Reel Fun Film Festival (www.reelfunfilmfest.com) is a film festival for families and students that includes an "Education Week" portion of films programmed specifically for students/teachers. These award winning films (many which will be premiering at the festival) have curriculum links and before and after screening suggestions.

Since we have had a Director's Cut Film Making Workshop in our classroom (or we have booked one to have later on in the year), the Director's Cut is sponsoring us to go to the festival for FREE (NOT including busing)

There is an option to pre-order concessions (popcorn and a drink) at a reduced rate of \$7.00 for a small popcorn and drink -please see the attached sheet.

Please detach the form below and send back your payment (there is a separate concession form) with your child asap. If you would like to volunteer (you attend for free) - please sign the form below (first come first served) and we will contact you.

Thank you so much!
