**Calgary's Reel Fun Film Festival invites everyone to "Feel the rhythm, feel the rhyme.
Get on up, it's bobsled time!"**

Calgary, AB ...The Reel Fun Film Festival is pleased to be the North American host for the 20th Anniversary celebration of Disney's family favorite *Cool Runnings* on Saturday, February 2nd, 2013.

Cool Runnings is the 1993 family film, starring the late John Candy, loosely based on the true story of the Jamaica national bobsled team's debut in the bobsleigh competition of the 1988 Winter Olympics in Calgary.

This is the first fundraising event for the Reel Fun Film Festival, an annual Calgary event, providing family-friendly films from around the world. Members of the original cast and bobsled team will be at Canada's Sports Hall of Fame for an evening filled with fine food, drink and of course a special screening to commemorate the film's anniversary.

Tickets are \$100 each and include gst, a tax receipt and all of the evening's festivities. Seating is restricted at this once-in-a-lifetime event and a very limited number are available. Avoid disappointment! Get your tickets today and save 15% at www.reelfunfilmfest.com.
